

Donation Instructions

Thank you for your donation to Hillel International. There are multiple ways to give your gift besides our online credit card processing. Wire transfers, stock transfers and mailed in checks are all effective ways to send your payment to Hillel International; it also reduces the fees we incur through the credit card processing companies, so that your gift can have the largest impact. Please contact the appropriate person, so that we can connect your gift to your account and get you a tax receipt.

ACH and Wire Transfer Instructions:

Often, wire transfers are deposited into our account without much identifying information. When you initiate a wire transfer, please also e-mail alundeen@hillel.org with the wire amount and initiation date so that we can quickly credit it to your account.
